iPads can be purchased from any store you choose. We highly recommend that you have the iPad covered by some sort of insurance, for example, Apple Care via Apple, or checking with your insurance company about adding your iPad to your personal insurance policy.

All BYO iPads must be brought to school in a heavy duty case purchased at the store of your choice. Keep in mind that any personal applications and content placed on the device may interfere with the storage requirements for school use and school required Apps must take priority.

Please read the Pacific Paradise State School Bring Your Own iPad for Prep, Year 1, 2, and 3 2023 Charter for more important information.

Identify your iPad model and iPadOS version
