- Accessibility
- Scroll down to
- Guided Access
- Turn on
- Passcode Settings
- Set Passcode (DON'T
- SHARE OR LET STUDENT SEE)

Open App that you want the student to go on eg Book
Creator
Options

- Time Limit (this will set how much time the student will have on the app) eg: 5 mins
- START

This will start guided access- if you set the time limit to 5 minswhen time is up the iPad will not respond to anything except to the correct passcode that you set for guided access (eg: students can't turn iPad off or go on anything else on the iPad)
